POLITICS IN THE EUROPEAN UNION PDF

- Search results, The politics of Europe deals with the continually evolving politics within the continent of Europe. It is a topic far more detailed than other continents due to a number of factors including the long history of nation states in the region as well as the modern day trend towards increased political unity amongst the European states. Politics (from Greek:  $\text{Πολιτεια}$ , translit.  $\text{Politik}$ , meaning "affairs of the cities") is the process of making decisions that apply to members of a group. It refers to achieving and exercising positions of governance—organized control over a human community, particularly a state. This evening study Master's degree in politics and policy provides a solid foundation for research and careers in government and political organisations.
