engineering Author(S) Clifford F. Bonnett

(Author), The text hereafter is not intended to

supplant the AREMA Manual for Railway

Engineering, the AREMA C&S Manual or

other comprehensive texts covering specific

railway engineering disciplines, but rather to

provide background enabling the novice

engineer or practicing engineer unfamiliar

with railway engineering design to utilize

available resources., to be aware of not only

the fundamentals of railway engineering but

also latest developments with regard to

railway tracks, locomotives and rolling stock,

signalling and interlocking, etc., ATOC
