article is focused on English-language
literature rather than the literature of
England, so that it includes writers from
Scotland, Wales, and the whole of Ireland, as
well as literature in English from countries of
the former British Empire, including the
United States. However, until the early 19th
century, it only deals with the literature of the
United Kingdom and Ireland., ðŸ”ŸCiting and

Research on dialogue is concerned with the
study of how communication takes place
through language in conversation. This
involves, among other things, investigating

what makes a dialogue coherent; how dialogue participants coordinate to take turns in speaking and to achieve mutual understanding; and how knowledge about how dialogue works can be used to design artificial agents ...
