technique to observe the earth surface or  
the, 236 1. Introduction Distribution is an  
important activity in the integrated  
supply-chain management of pharmaceutical  
products. Various people and entities are,  
The distribution of wealth is a comparison of  
the wealth of various members or groups in a

society. It shows one aspect of economic  
heterogeneity.. The distribution of wealth  
differs from the income distribution in that it  
looks at the economic distribution of  
ownership of the assets in a society, rather  
than the current income of members of that  
society. . According to the International ...,  
" Discuss the basics of electrical  
grounding and bonding. " Discuss  
electrical engineering principles and relevant  
specifications. " Discuss the basic design  
criteria for grounding systems., Guidance for
