William M.K. Trochim is a Professor in the
Department of Policy Analysis and
Management at Cornell University.,
Research comprises "creative and
systematic work undertaken to increase the
stock of knowledge, including knowledge of
humans, culture and society, and the use of
this stock of knowledge to devise new
applications." It is used to establish or
confirm facts, reaffirm the results of previous
work, solve new or existing problems,
support theorems, or develop new theories.,
