172 SAP SALES AND DISTRIBUTION

COURSE (With SAP ECC 6.0), gas click the

button for rtp at right hand side near the

distribute qty . button and then mention the

material code for the cylinder and then give

vendor and save or post the document

.....system will automatically post this good

under vendor stock (i mean to say that

material will be at your place but there will

be a link b/w that cylinder and materail) and

to return that cylinder u can ..., This tutorial

explains what is the difference between

active and passive document splitting,

Passive Document splitting is where the

account assignments of the line items to be

cleared are transferred to the clearing items

While for Active Document splitting you have

to define specific rules for the split., SAP

Business Planning and Consolidation,
