Social Change in India Societies often face

problems because of the imbalance in the

forces of caste, race, gender, class, and so

on. Social change is change in the patterned

roles, or a change in the, Introduction to

Social Problem 293 As elsewhere in the

world, Indian society, by and large, has been

patriarchal where woman is subjected to

man. They are not seen beyond the roles of

a wife or a mother., India's social problems are also rooted in the religious practices and beliefs of its people. Almost all forms of social issues and problems find their origin in the religious and cultural practices of the people of India. These social problems are developed in a long period of times and are still continuing in one form or other., A social issue is a problem that influences a considerable number of the individuals within a society. It is often the consequence of factors extending beyond an individual's control, and is the source of a conflicting opinion on the grounds of what is perceived as a morally just personal life or societal order., Title: Social Problems In India Author: DLI Downloader Subject: DLI Books Created Date: 7/12/2013 12:39:24 AM
