1x01 (Pilot).pdf Download, The pilot is one of

the most important episodes of a series.

Perhaps the most important. Not only does it

have to establish the characters, the world,

and the tone, but it also has to convince

viewers to come back for the next installment

(or, in case of online streaming, not exiting

out of the browser window)., titles over black:

1942. world war ii. the united states builds a

is the pilot which eventually became Episode

1 of Stranger Things, which was originally

called Montauk. They only make one Pilot

Script, for the first episode, and once the

Channel (or in this case Netflix) accepts it,

you turn the Rough Draft into A Final Copy of

the First Episode, which is what we saw on

Netflix. They dont make even more ...,

Happens in a Beach Town. The most

immediate difference between the

show's pilot script and its eventual first

episode is evident in Stranger Things's

working title, Montauk - named for the

New York beach town that was supposed to

serve as the setting. Though producers

eventually moved the story to Indiana (and

its shooting location to Georgia), the original

a pilot is one of the toughest things a TV
scribe can do. It's your first episode, so you
have to introduce your central character and
core cast, build enough of your show's world
without overwhelming the audience with
backstory, create an episode "template," and
communicate the show's tone., Stranger
