THE ALLIANCE MANAGING TALENT IN THE NETWORKED AGE PDF - Search results, Employment in the Networked Age - ourish. Employees invest in the company's success; the company invests in the employees' market value. By building a mutually beneficial alliance rather than simply exchanging money for time, employer and employee can invest in the relationship and take the risks necessary to pursue bigger payoffs. Sadly, trust in the business world is hovering at an all-time low. We can rebuild that lost trust with straight talk that recognizes the realities of the modern economy. So, paradoxically, the alliance begins with managers acknowledging that great employees might leave the company, and with employees being honest about their own career aspirations.
