Construction and Management. Dashboard;  
For Public; Building Official, Construction and  
management simulation (CMS) is a type of  
simulation game in which players build,  
expand or manage fictional communities or  
projects with limited resources. Strategy  
video games sometimes incorporate CMS  
aspects into their game economy, as players  
must manage resources while expanding  
their project. But pure CMS games differ  
from strategy games in that "the player's goal  
is not ..., Department of Construction
