THE STRATEGY FOCUSED ORGANIZATION KAPLAN PDF - Search results, The great struggles of the twentieth century between liberty and totalitarianism ended with a decisive victory for the forces of freedom—and a single sustainable model for national success: Strategy (from Greek *stratēgia*, "art of troop leader; office of general, command, generalship") is a high-level plan to achieve one or more goals under conditions of uncertainty. In the sense of the "art of the general", which included several subsets of skills including "tactics", siegecraft, logistics etc., the term came into use in the 6th century AD in East Roman ...

A digital strategy is a form of strategic management and a business answer or response to a digital question, often best addressed as part of an overall business strategy. A digital strategy is often characterized by the application of new technologies to existing business activity and/or a focus on the enablement of new digital capabilities to their business (such as those created by the ...
