THE STRUCTURE OF ARGUMENT 8TH

EDITION PDF - Search results, Structure is

an arrangement and organization of interrelated elements in a material object or system, or the object or system so

organized. Material structures include man-made objects such as buildings and machines and natural objects such as

biological organisms, minerals and chemicals., In informal logic and philosophy,

an argument map or argument diagram is a visual representation of the structure of an

argument. An argument map typically includes the key components of the argument, traditionally called the conclusion

and the premises, also called contention and reasons., Title: ControlCenter2 Author: Tim
