Chapter 6 . Places are of great interest to
me, they all have there own stories to share
that can be deduced through the people that
live there and the things that are found. This
can be done through anthropological and
forensic processes with an attention to
details found in objects and through
interviews., various themes of art, and issues
debating the definition of art as it is known by
Western cultures. Open the discussion by
having students name people, places, and
things., 02 In this fourth volume of the Art of
the Twentieth Century series, the
contributors address a fascinating variety of
themes relating to art from the 1960s to the
end of the centuryâ€”the period of

place, language, science, and spirituality.
