PDF - Search results, 5 Using energy HAVE

YOU EVER ... 174 PEARSON science. 5.1

Unit review Remembering 1 Name the unit

used to measure energy. 2 List five different

forms of energy. 3 Recall what you know

about energy by matching the following types

with their descriptions. a kinetic energy b

sound energy, Pearson Science student

book for Year 8 is designed for an inquiry

approach to science learning. Its engaging

design, unambiguous features and clear,

easy-to-understand language make this a

valuable resource for students of all interests

and abilities., questions found on the ACT

Aspire Grade 8 Science test. Educators can

use this resource in several ways: •

Become familiar with ACT Aspire question

types. • See what typical questions in

each ACT Aspire reporting category look like.

• Help reinforce or adjust teaching and

learning objectives., The main branches of

science Figure 1.1.2 The branches of

science The subject of science covers many

different areas, ranging from acids to

aardvarks, electricity to emus, rats to rocks,

Venus to viruses, and much, much more.

Science covers so many different areas that

it must be split into different branches as

shown in Figure 1.1.2., 3 Earth resources •

describe the Earth's major resources,

such as soils, air, rocks, water, living things

and sunlight ... science fun 68 PEARSON

science. Birds, animals, trees, soil, rocks,

water, air and sunlight are resources. Figure

... Replacing animals on farms may take a

year or so. This plant relies on the

hummingbird to pollinate, YEAR 8 SCIENCE
